

Dear Parents & Caregivers,

Our class is learning about fire safety. Your child learned about the importance of having a safe way out of a home in the case of an emergency and the important role smoke alarms play in keeping us safe. Your child also learned how to report an emergency by dialing 9-1-1.

Please talk to your child about the importance of fire safety as you complete some, or all, of the activities below. **Together we can keep your family safe from fire.**

Testing Smoke Alarms

Find the smoke alarms in your home. Have a grown-up push the smoke alarm button so you can hear the sound.

Plan a Meeting Place

Choose an outside family meeting spot. Be sure to mark your meeting place on your map.

What Do You Know About Fire Safety?

Read "How Much Do You Know About Fire Safety?" Tell a grown-up two things you learned.

Hot or Not?

Watch the "I Spy Cooking Safety" video. Take a tour of your home and explore the things that can get hot.

Fire Safety Minute

Watch this fire safety video to learn how to be safe in less than a minute.

I Spy Fire Hazards

Watch the "I Spy Fire Safety" video. Then grab a grown-up and play "I Spy Fire Safety" in your home.

Print an Activity

Print out a coloring page, activity page, or fire safety maze to complete together.

Play a Game

Play a fire safety game of your choice. Talk about what you learned from the game.

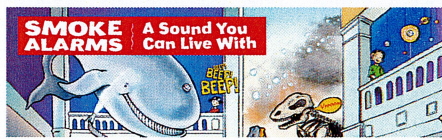

Make a Plan

Read "Annie Makes a Plan" and then make a fire escape plan. Practice your plan twice a year.

Read a Book
